Good morning. I understand both LAHSA and LASAN confirmed for 4/17 cleanup downstream of the 405 Fryw along Ballona.

Per our big meeting with the Sheriff, LAHSA, our County CEO, County Counsel, and my admin, we are changing our protocol. One of the major changes is that we cannot start the 14-day posting until LAHSA has notified us that they have completed their outreach and coordinated with our Hazmat Contractor.

With that said, I need to check with our foreman and our contractor their new posting & cleanup schedule downstream of the 405 Fryw and will keep you all posted.

NOTE: On 4/17, we are still confirmed to start the encampment cleanup from Overland Avenue to the 405 Fryw.

Thank you.

Awesom - thanks Renee.

And Victor - it will just be Ballona, not Centinela. We may start addressing that in the next round.

All - we are confirmed for 4/17. I will send out an invite today.

Victor, Public Works understands the intentions for these encampment cleanups and the constraints associated with the PEH outreach services.

The main reason for our request to go back to the east bank south of the 405 Freeway across from the McCollum Avenue (and other new sites) was to respond to homeowner's request during the Feb. 19 Monthly Bike Path meeting. I know a few agencies didn't make it to that meeting.

PEH folks displaced during the Feb. 15 Caltrans cleanup behind the 405 Fryw moved to our r/w across from the McCollum Avenue and some other locations. Unfortunately, our crews were on their regular day off when we received the notice and were not able to be present at that time. By Feb. 19, the encampment grew much bigger. Attached is a recent photo of one of the encampments.

Public Works is fine not going back downstream of the 405 Fryw but we need LAHSA and the City of LA to let the homeowners know.

We received confirmation from the Culver City PD (Thank you!) that they will provide support during our cleanups upstream of the 405 Fryw and will move forward.

Thank you all.

Hannah,

LASAN regular crews cannot support April 9th as this is not a scheduled CD 11 day of service, I am waiting to hear back if the HOPE team can be there.
Much Appreciated,
